REQUEST TO WITHDRAW FINALITY OF THE OUTSTANDING OFFICE ACTION

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This is in response to the Office Action mailed November 22, 2004, and having a period for response set to expire on February 22, 2005.

The outstanding Office Action, at page 9, item 10, states "Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP §706.07(a)."

MPEP §706.07(a) states that a "...second or any subsequent actions on the merits shall be final, except where the examiner introduces a new ground of rejection that is neither necessitated by applicant's amendment of the claims nor based on information submitted in an information disclosure statement...." (Emphasis added).

In the Amendment filed October 22, 2004, the subject matter of claims 3 and 17 were incorporated into claims 1 and 16, respectively. Additionally, no Information Disclosure Statement was filed subsequent to the Amendment filed October 22, 2004 and prior to the issuance of the outstanding Office Action.

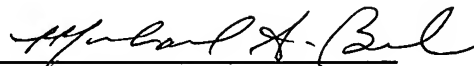

Therefore, since the Examiner previously conducted a search and considered (and rejected) claims 3 and 17, which respectively depended from claims 1 and 16, and which have been merely incorporated into claims 1 and 16, respectively, the Examiner's new grounds of rejection, which changed a §103 rejection to a §102 rejection citing the same reference, cannot be necessitated by applicant's amendment of the claims nor based on information submitted in an information disclosure statement.

Accordingly, Applicants respectfully request withdrawal of the Finality of the outstanding Office Action.

Respectfully submitted,

STAAS & HALSEY LLP
